

Vaccination Survey

The Re-opening Task Force has been asked to provide a “snapshot” of our in-person service attendees’ vaccination status. Why? This is a measurement, even if informal, of the percentage of those who are vaccinated. If the vaccinated percentage is “high enough”, some online attendees may feel comfortable returning to in-person church services. Obviously, this count is not scientific and merely a best estimate!

Please note that the survey is anonymous; do not provide your name. We will be surveying the in-person congregation at both services today as well as Sunday, December 5th. This is NOT a “one and done”. Please complete the form on both dates.

As you leave, please place your completed surveys in the collection basket at the back of the sanctuary. We greatly appreciate your participation in our informal survey!

1. Which service do you normally attend?

9:00 am 11:00 a.m.

2. Are you:

vaccinated unvaccinated Do not want to answer

3. Do you have children in RE?

2yrs-11yrs 12yrs and up N/A

4. Are the children:

already vaccinated planning to be vaccinated

Do not want to answer
