

**Beloved Conversations Spring 2022** The recent celebration of Dr. Martin Luther King reminds us there is still much work to be done toward realizing his vision of a Beloved Community. Gaining a fuller understanding of our history and individual self-exploration are important first steps toward realizing the ideals of diversity, inclusion and equity and are the goals of the Beloved Conversations classes. The online classes begin March 22 and run through June 7. Lessons are available every 2 weeks for study and self-reflection, with zoom meetings set by your “pod” of 4 or 5 participants from other congregations matched by time zone. *“I enjoyed the multi-media resources and the freedom to move at my own pace as I reviewed them. I also looked forward to the pod gatherings.”* – Jean Pierce. Registration runs through Feb. 22. More detail is available in the weekly email.

**January’s “Beyond Our Walls”** cause is the Jane Adeny Memorial School in Kenya. JAMS is a secondary school that is “good enough for the richest but open to the poorest.” It is empowering girls to become women who participate fully in the life of the nation. UUSG has fully-funded a 4-year scholarship for Wendy Amondi, (class of '23) who plans to become a doctor. The money raised this month will go towards a scholarship for a student who will be admitted this spring in the class of '25. For \$800 a year, we are providing room and board, tuition, clothing, and basic supplies.

**Action Alert** Our friends at the Northern Illinois Food Bank are requesting that we advocate for more food to be sent from farms to food banks. To help food banks meet the current increase in demand for food, Congress must provide additional funding for The Emergency Food Assistance Program (TEFAP) food purchases, and the U.S. Department of Agriculture (USDA) must quickly make these purchases. More info and link available in the weekly email.
