Responsive Sous le dôme épais (Flower Duet); Leo Delibes

Under the thick dome where the white jasmine
With the roses entwined together
On the riverbank covered with flowers laughing in the morning
Let us descend together!
Gently floating on its charming risings,
On the river's current
On the shining waves,
One hand reaches,
Reaches for the bank,
Where the spring sleeps,
And the bird, the bird sings.

Under the thick dome where the white jasmine
Ah! calling us
Together!

Under the thick dome where white jasmine
With the roses entwined together
On the riverbank covered with flowers laughing in the morning
Let us descend together!

Recessional Joie! Jules Massenet

A bird hops and sings
Delightful and enchanting joy!
It's like a paradise where one can play in the hedge
And everything is blooming (La la!)
Out of the verdant forest flows a singing stream,
Delightful and enchanting joy!
The workers are happy
Because the field and meadows
Are so beautifully bejeweled like our verdant forest.
The young girl dances and sings
Delightful and enchanting joy!
The air is full of songs, the sky is clear;
Let us hold hands and dance in our verdant forest.
For This Joy; Lobe den Herren tune, arr. Susan Labor, words
by Charles Anthony Silvestri
