

Investing in a Brighter Future: Pledge Drive 2023-2024

The Pledge Drive Team members are happy to say a big thank-you to everyone who has pledged so far! Team members have been enjoying the many phone calls, email "conversations" and in-person coffees / brunches / lunches, etc., with members and friends since the drive kicked off, Sunday March 5. We hope you are having a good time talking about UUSG in your life and ours, and sharing stories, joys and concerns.

If you are still thinking about how much support you will be able to give during fiscal year '23-'24, we encourage you to stretch a bit if you can. We are going for 100% participation among members and friends, so regardless of the amount of your pledge, please know that every pledge helps us to plan and fund our ongoing work of "promoting practical goodness in the world and of aiding each other in our moral and religious improvement." Christine reports that around 60% of the pledges we've received thus far include an increase over last year. This trend will help us fund the nuts and bolts of everyday expenses plus fund and possibly expand our programs - working toward the community we want to be. Thanks so very much for putting your caring commitment to UUSG at the top of your to-do list. Your generous, thoughtful participation is the most important ingredient for a successful pledge drive and a fabulous year ahead!

Learn more at uusg.org/pledge-drive.

(PS If you are trying to decide what to do with your Required Minimum Distribution from your IRA (etc.), please keep in mind that if you give all or a portion of that distribution to UUSG you have absolutely no tax liability on the amount you give.)
