

**Lighting of the Chalice and Opening Words:**

As we gather together for the work of this evening, may we remember the deeper reasons for our meeting: nurturing relationships, encouraging constructive change, acknowledging and guiding into reality the best dreams of this community of faith.

Being desirous of promoting practical goodness in the world and of aiding each other in our moral and religious improvement, we have associated ourselves together, not as agreeing in opinion, not as having attained universal truth in belief or perfection in character, but as seekers after truth and goodness.
