RE: Your donation to our non-profit organization

Dear Katie and Unitarian Universalist Society of Geneva,

We appreciate your gift of \$915.00, which we received recently as a check. Taking the time and effort to carry out a special collections as you did is very inspiring, and makes us truly feel supported in our work. Not only will it help more temp staffing workers to learn about and defend their rights, but it is also a vote of confidence in the Chicago Workers' Collaborative and our worker-leaders.

Please extend our greetings and gratitude to all of your congregation members.

Thanks to your help and the tireless efforts of our worker-leaders, we will continue to demand respect for Basic Labor Standards which our members have developed in our attempts to reform the temp staffing sector. Knowing that you stand with us is a great feeling.

In solidarity,

Leone Jose Bicchieri
Executive Director
