## Grateful to You

Thank you for responding with generosity to the humanitarian crisis facing immigrant families at the U.S.-Mexico border. Please know that your support is critical right now and all of us at the Florence Project are so grateful to you. Thanks to your support, we are hiring staff to better serve detained families in Arizona. To stay informed about how your dollars are helping, please visit us at [www.firrp.org](http://www.firrp.org) or follow us on Facebook.
