Dear Christine,

We at Fox Valley Hands of Hope gratefully acknowledge your gift of \$1384.43 from the Unitarian Universalist Society of Geneva, deposited on May 1, 2023.

**Your gift** helps us offer hope to many who have lost loved ones. Our grief supports include virtual or in-person one-on-one counseling, death-loss support groups, outdoor family programming, art-based programs, and more. We are able to provide these critical, no-cost services because of **supporters like you.**

We also want you to know that we are available for presentations about our agency and services, as well as introductory sessions on the characteristics of grief and the coping skills associated with death loss. We would welcome the opportunity to visit the Unitarian Universalist Society at some future date.

We are very thankful for the way your "Beyond Our Walls" special collection supports critical social services like ours. **Thank you again** for your generous gift.

Gratefully yours,

Jonathan Shively  
Executive Director

Thank you for  
your support!
