Dear Unitarian Universalist Society of Geneva,

Thank you for your September 13, 2011 donation of \$1,154.00 to Freedom from Hunger. Your generous giving is helping us reach more than 3.2 million women and families – a total of over 18 million people! – through our unique program of small business loans, vital education, and savings groups.

The women in our programs receive small loans and jointly guarantee repayment. They support and encourage one another to do their best and work to save a little money each week. They gather to make repayments on loans, deposit savings and participate in lively learning sessions led by a local staff person who speaks their language and knows their culture.

These lessons help mothers attain “the good life” – more and better food for their families, increased incomes, a lower incidence of deadly diseases and illnesses, and a sense of accomplishment in the success of their small businesses. Ramata from Burkina Faso, West Africa, says that she now has “a merchant’s mind.” And Luzmila from Peru says, “If you don’t work, you can’t know the joys of raising animals and produce from your own chakra [backyard garden], but if you do work, you can feed your family.”

We invite you to visit our Web site at www.freedomfromhunger.org. If you have questions or comments about our work, you can always contact me or Chris Dodson at 530-758-6200 ext. 1042, toll-free at 800-708-2555 or via e-mail at cdodson@freedomfromhunger.org.

Your gifts help ensure that families can survive hungry seasons and other emergencies. Thank you for providing tools to help the world’s poorest women achieve lasting food security and safeguard their families’ health.

Sincerely,
