2019.*

Dear Friends at Unitarian Universalist Society of Geneva,

Thank you so much for your support this holiday season, your donation of a truck bed of fabulous assorted food items brought peace and happiness to families in need. Here at the Humanitarian Service Project, our hearts are filled with gratitude and amazement as we were able to serve 1,849 children with toys, 959 families with groceries and 138 senior citizens with gifts and food.

As the holiday season comes to an end, we reflect on our year of service and love that we have been fortunate enough to provide. This time reminds us that "Christmas will always be, as long as we stand heart to heart and hand in hand". As we put away the decorations and the gift wrap, we acknowledge our responsibility to spread the spirit of Christmas year-round. After this successful holiday season, we are empowered to extend our services and projects to include even more families through the Summer, Spring, and Fall seasons. We hope that you will continue to stand with us heart to heart and hand in hand, in our efforts to provide the same joy and love to families and seniors throughout the year. Our success is only possible because of the continued, generous support we receive through donors and volunteers, like you!

The Humanitarian Service Project is ready to meet the new year with open arms and big ideas. As we focus in on our goals and initiatives for the upcoming year, we look forward to working with current and future friends to alleviate the pain and suffering that poverty inflicts on families and seniors in DuPage & Kane Counties.

From all of us here at the HSP, we hope your Christmas was merry and your New Year is bright.

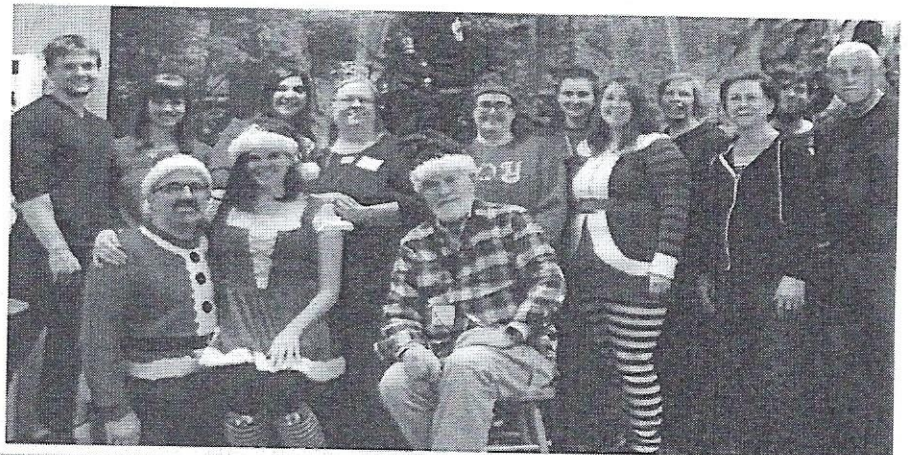

Yours in Love and Service,

Kristin ✓
