Dear Friends at Unitarian Universalist Society of Geneva,

Thank you so much for your donation of 140 personal care kits for seniors including Kleenex, crossword books, and Swiss Miss chocolate. The COVID-19 crisis has created profound and unprecedented change in lives around the world, including our own neighborhoods. Parents are experiencing lost wages and struggling to provide food for their families; seniors, who face the highest risk associated with the virus, are reliant upon groceries being delivered to their homes. There is an incredible amount of work ahead of us to ensure children and the elderly have food and other basic needs to survive.

Unfortunately, this is the case for many children and senior citizens without the additional danger of a pandemic. For more than 40 years, your dedication to our mission has allowed HSP to provide fresh produce, non-perishables, toilet paper, and other critical essentials to those who are most vulnerable. You also allow families to experience the joy of a child's birthday, and the magic of Christmas. In March, your unwavering support provided 7 tons of groceries for 140 seniors. Tazeen recently said The Children's Birthday Project "brings happiness to our lives and gives (my children) self-confidence."

We look forward to our continued, collaborative service in the community, with your dedication to provide love and support to local seniors and kids in need.

Yours in Love and Service,

*Kristin* ♥
