Geneva, IL 60134

Dear Friends,

What an absolute pleasure it was to host your young adults group this past week. This was their third straight year traveling to Boone to volunteer their skills and energy on our latest Habitat for Humanity home, and they were nothing short of a blessing.

I have personally had the opportunity to work alongside, as well as spend free time with, your young adults and can positively say that as both individual families and a community, you have done an outstanding job in raising such a fine group of caring, hard-working and intelligent individuals. You can all be very proud of them.

On behalf of the many partner families, volunteers and supporters of Heart of Iowa Habitat for Humanity, please also accept our most sincere appreciation for your accompanying donation of \$1,000. Through your generosity we will make a very real and lasting impact in the lives of Lindsay Fitzgerald and her young son, Charlie. They are our partner family for the home your young adults group helped to complete this year. In addition to building their home, a portion of your gift will be returned to Habitat monthly over the coming 30 years, allowing us to extend the benefit of your generosity for many families over many year

Please know that the work of your young adults and your congregation's contribution are very important to our efforts and we pledge to always reward your decision to partner with Heart of Iowa Habitat for Humanity.

Blessings always,

A handwritten signature in blue ink that reads "Erich Kretzinger".
