

MUTUAL GROUND, INC.

*Providing services for victims of
domestic violence and sexual assault*

January 19, 2012

Rev. Dr. Lindsey Bates
Unitarian Universalist Society of Geneva
102 South Second Street
Geneva IL 60134

Dear Rev. Bates,

Families are safe today because of your support. Another family can begin the healing process. Another family can begin the journey from victim to survivor. All because your congregants chose to give half of the Christmas Eve collection to Mutual Ground.

Thank you so much. The congregation's most generous holiday donation of \$1447.10 will help us provide needed programs for victims of domestic violence and sexual assault. In fact, we are the only agency in this area offering these services for the 350,000 residents of Southern Kane, Kendall and Aurora DuPage Counties.

While a good percentage of our income is from government, this year is especially difficult due to the tough economy and the state funding crisis.

However, because of the generosity of you and people like you, we can continue to help hundreds of mothers and their children who come to us, often terrified and alone in the middle of the night, seeking safety and the support they need to rebuild their lives.

We're so glad you care.

*What an amazing
donation. This helps
so much. We are so grateful*

Sincerely Yours,

Michelle Meyer
