Dear Friends,

Thank you for your gift of \$929 to Planned Parenthood Federation of America (PPFA) received on 7/8/2011. We are grateful for your dedication and generosity.

For 94 years, women have turned to Planned Parenthood. Even as we fight to protect women's hard-won rights, we must continue to expand access to the essential health care services that millions rely on, meeting the health care challenges of today to build a healthier tomorrow.

With your help, PPFA will continue to do what we do best — expand critical reproductive health services to those most in need, including youth and underserved populations, using innovative means and our grassroots strength around the country.

I am so proud to have your support on behalf of women, men, teens, and families across America. Thank you again for all you do for Planned Parenthood.

Best regards,

Cecile Richards
President
